UCCS Family Development Center

2026-2027 Annual School Calendar

Calendar dates are subject to change as updates to the UCCS academic calendar are released.

The Family Development Center may occasionally close or delay opening due to severe weather or other emergency conditions. In the event of a UCCS campus closure or delayed opening, the FDC will follow the University's operating schedule.

Weather and emergency notifications will be communicated through the following channels:

- Text message via the FDC SmartCare system
- UCCS Weather Line: (719) 255-3346
- UCCS Emergency Notification System (text alerts)
- Local television and news media outlets

As part of the enrollment process, all families are required to register for the UCCS Emergency Notification System to receive campus closure and delay notifications directly to their mobile device.

Sign up for emergency alerts here: [Emergency Notification Alert Sign Up | UCCS Alerts](#)

Please note: Monthly tuition is not prorated for scheduled UCCS or FDC closure days, including weather-related closures, as tuition reserves your child's enrollment space rather than the number of days attended.
